Fuseta is a fishing small village, located in Olhão's Council, right in the natural park of Ria Formosa area. Our Campsite is located in the village, near Fuseta's beach, along the waterfront. You can enjoy the local landscape and have a pleasant stay.

Moncarapacho is a typical Barrocal village, with a privileged location, between the mountains and the sea. Here you can enjoy the countryside tranquillity, among almond trees, vegetable gardens, orchards and two sightseeing hills with a panoramic view from the South coast and the North Hills . All situated within a short distance from Ria Formosa and Fuseta's beach and Island.
